**A.D.M.COLLEGE FOR WOMEN (AUTONOMOUS) NAGAPATTINAM
P.G. & RESEARCH DEPARTMENT OF COMMERCE**

A REPORT ON INDUSTRIAL VISIT – 16.03.2022

The PG and Research Department of Commerce organised an Industrial visit to Hi-dezine Pondicherry on 16.03-2022. 101 students from (UG & PG students) were accompanied with Dr.R.Latha, Dr.P.Rajeswari, Mrs.M. Devika and Mrs.C.Dharani. Graphic designer in charge of designing gave a brief introduction about the factory.

General Manager explained about the profile of the factory and the steps involved in manufacturing of bags. Students were allowed to see the process of leather drawing and cutting. The machines used for dying and hand painting are leather dyeing machines. 100 employees are working in the factory.

After visiting dying and hand painting unit, elaborate explanation was given by the production manager about manufacturing process of buttons. He explained and showed the raw materials used in production process of resin buttons. The liquid polyester was mixed with dye and curing agents were used in stainless-steel kettle. This was poured into large rotating metal cylinders. Sheets or bars are formed after hardening. The buttons are then cut, polished, drilled and lasered to form buttons.

Students were also taken to the packaging unit where the bags are compressed and grouped into select numbers of distribution in bulk quantities. The compression is done in a bale press. the result of which allows the neat and easy packaging of the bags.

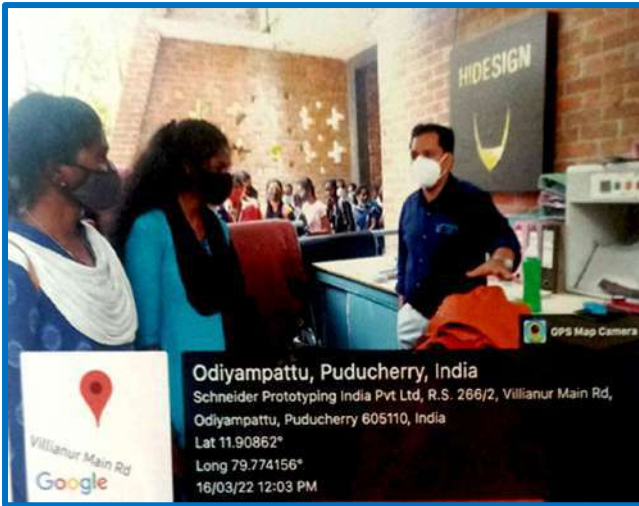

On the way, students were also taken to Rock Beach Pondicherry. The factory visit not only developed their knowledge, it also inculcated team spirit and co-operation in the manufacturing of handbags and co-ordination among the students.

Students thanked the management authorities, Principal, HOD and Staff members for the efforts made by them to visit Hi-dezine factory.

Educational Tour - Astronomy, Coimbatore

Minutes:

PG & Research Department of Mathematics arranged Educational Tour (regarding the subject Astronomy) to Anna Science Centre, Planetarium, Tiruchirappalli on 11.03.2022. 121 students were accompanied by 8 staff members. Dr.P.Jamuna Devi, Assistant Professor of Mathematics coordinated this educational tour.

**A.D.M COLLEGE FOR WOMEN AUTONOMOUS NAGAPATTINAM
PG & RESEARCH DEPARTMENT OF MATHEMATICS
EDUCATIONAL TOUR REPORT
11.03.2022**

PG & Research Department of Mathematics arranged Educational tour to Anna Science Centre, Planetarium, Tiruchirappalli on 11.03.2022. III B.Sc Mathematics (Aided and SF) have "Astronomy" course in Sixth Semester. The Educational tour to Planetarium will be helpful to the students to understand the subject practically and to get deep knowledge on Planets and the Mathematical Concepts involved in them.

The Principal i/c Dr.R.Anbuselvi, Head of the Department i/c, Dr.N.Sarala and Dr.R.Vanitha, Associate Professor of Mathematics gave necessary advice to be followed in the tour. On 11.03.2022, two buses departed from the College Campus at 6.00 am with 121 students and 8 staff members. Dr.P.Jamuna Devi, Assistant Professor of Mathematics coordinated the Educational Tour.

The students and staff members reached Anna Science Centre, Planetarium, Tiruchirappalli at 10.00 am. Anna Science Centre, Tiruchirappalli has been rendering excellent and yeomen service to cater to the needs of younger generation and the general public of the region in the cause of education, taking up the objectives of Tamilnadu Science and Technology Centre. The Government of Japan has donated the Planetarium Projector and its accessories. The Planetarium, which has been a source of information and inspiration in the region, receives students in groups visiting from various places. At Anna Science Centre - Planetarium, Tiruchirappalli, the Environment Gallery, exhibits on the themes Eco System, Bio-geochemical cycles, Biodiversity and Conservation, Pollution and sustainable Energy sources.

Then the students visited Mukkombu Park and Dam. The bus departed from Tiruchirappalli by 6.00 pm and arrived safely to College Campus, Nagapattinam at 10.00 pm. On the whole, the Educational tour was both informative and enjoyable with good memories.

Respected Sir,

Sub: Requesting permission for Educational Tour- Reg.

We have planned to arrange an Educational Tour for the III B.Sc Mathematics and PG students of the PG and Research Department of Mathematics. We wish to visit the Planetarium of Anna Science Centre, Tiruchirapalli on 11.03.2022. Kindly permit us to visit the planetarium.

Total No. of students: 120
Total No. of staff members: 10
Date of Visit: 11.03.2022

Thanking You,

Place : Nagapattinam

Date:02.03.2022

Respected Madam,

I wish to bring to your kind notice that the students of III B.Sc, I M.Sc and II M.Sc Mathematics student (121 students in Total) are going to Educational Tour to Anna Science Center, Planetarium, Trichirapalli on 11.03.2022.

I request you to permit the following Staff members to accompany the 121 students.

1. Mrs. M.Prabavathy, Assistant Professor of Mathematics
2. Mrs. Hameetha Begum, Assistant Professor of Mathematics
3. Dr.G.Sudha, Assistant Professor of Mathematics
4. Mrs. U.Elaiyarani, Assistant Professor of Mathematics
5. Dr.Jannathul Nisha, Assistant Professor of Mathematics
6. Ms. S.P.Nivetha, Assistant Professor of Mathematics
7. Ms. P.Udhaya, Assistant Professor of Mathematics

Thanking You.

EDUCATIONAL FIELD TRIP - Birla Planetarium, Chennai

Minutes:

We Visited Birla Planetarium Located at Chennai on 11.04.2022. The Planetarium brought Dynamic Colourful images of Stars, Space Flight, Planets, Nebulae, Galaxies and other Astronomical Bodies to our Vision. The Special Effect Projectors inside the Planetarium recreated Astronomical Phenomena. Multidimensional activities inside sky theatre made students to have lively experience. Students learnt lot of things from programmes on the topics like solar system, Life cycle of stars, sky and seasons, comets, our Universe, Man on the Moon, and Science on sphere. In Gallery, Models like Nuclear reactor, Power Generation, chain reaction etc. Helped Students to improve their Knowledge.

DEPARTMENT OF B.VOC., MARINE

Minutes:

Three days field trip on “Preparation and Preservation of fishery products alternate employment opportunity for the fisher folk of Nagapattinam Dt”.

Place Visited : Tamil Nadu Dr .J.Jayalalithaa Fisheries University, Nagapattinam.
Staff's Name : Mrs.B.REVATHI & Miss .V.SANTHIYA
Date of visit : 20.07.2021 to 22.07.2021
No of students : 24 (III – B.Voc. - 17 students and II – B.Voc., - 8 students)

The training programme was organized by the department of fish process Engineering, TamilNadu Dr.J.Jayalalitha Fisheries University, Nagapattinam from **20.07.2021** to **22.07.2021**. The students of I –B.Voc. II –B.Voc. staff members **Mrs.B.REVATHI** and **Miss .V.SANTHIYA** participated in the training programme. The training programme started at 10.00 am from the Metro fish processing laboratory. Mr.B.Prabakaran, the District Development officer NABARD in invited as the chief guest of the inaugural function. He delivered a lecture on banking schemes and entrepreneurship. After the session Dr.N.Manimegalai Explained About the preparation of fish products, hygienic handling of fishes and microbial infection of seafoods. Then the students prepared the products like prawn pickle , fish vada.

In the morning session of second day morning session Dr.N. Manimehalai explained about the packaging of fish and fishery products, retort pouch packing .Then ,Mahathevan ,District Food Safety Officer gave on Food Safety Standards authority of India (FSSAI) and explained how to detect adulteration with rapid test (DART), food complaints etc.,the students were prepared fish cup cake and dry fish masala and salted dry fish.

DEPARTMENT OF B.VOC., MARINE

Minutes:

Four Days “Hands on Training program on PCR and its application in Aquaculture Genetics & pathology Research”

Date : 23.02.2022 to 26.02.2022 :

Place : Rajiv Gandhi centre for Aquaculture,sirkazhi

Staff : Dr.s.Angelina Glorita Parimala, Associate Prof of Zoology,&Mrs.B.Revathi Asst.Prof of B.voc.Marine food processing and preservation technology.

Beneficiary : 3 Year B.Voc Marine Students

Strength : 20 Student

The department of B.voc.Marine food processing and preservation technology participated a training program to Rajiv Ganthi Center for Aquaculture, Sirkali,Mayiladuthurai Dt.First Two days, Students &Staff attended the training programme on PCR Techniques and Its applications in aquaculture pathology.

Day1:[23.02.2022]

Traning overview and importance of Aquaculture pathology was given by the project Director Dr.Aneep mandal, Senior Reserch Scientist, he explained Sample collection from shrimp (Crustaceans) fallowed by Mr.B.Babu gave a lecture on major shrimp Diseases in India for Ex WSSV –White spot syndrome Virus ,Infectious myonecrosis,etc.

Then Fixation and processing methods for laboratory analysis of shrimp and fish were explained by Mr.P.KRISHNAKANTH. Afterwards, demonstration was carried out related to sample collection fixation /preservation methods of collected aquatic animals samples for laboratory analysis and DNA Ectraction for Detection of pathogen in shrimp sample. All the students individualls did the experiments and actively participated in the training programme.

Day2:[24.02.2022]

Dr.Mithanraj gave lecture on the importance of PCR for disease diagnosis, followed by Mr.G.Sathiyaraj gave a lecture on the basic microbiology procedures for Aquaculture Hands on training was given to the students were participated individually and their results were discussed in the group discussion. Next two days [25.02.2022&26.02.2022] students were trained on the PCR and its application in Aquaculture Genetics [Gene] Research.

Day3: [25.02.2022]

Dr.P.Anup Mandal gave a lecture on the application of molecular markers in Aquaculture.Next the practical session was started with the sample collection from Aquaculture species and its storage. Students did the total DNA extraction from crab tissue [or] Enzyme samples using Co-extraction Kit method and Gel Electrophoresis for quality checking of Deoxy riboneucleic acids [DNA].

Day 4: [26.02.2022]

Dr.Anandajothi, Scientific Officer, gave a lecture on the applications and polymerase chain Reaction [PCR] in molecular Fisheries. Students individually did practical on PCR master mix preparation for ITS-1 marker and loading PCR products in agrose gel electrophoresis results were discussed and appreciated by the student's trainers. All students were visited to the Genetic Laboratory library valedictory function happily ended by distributing certificates and feedbacks were shared by the students. All the students during hands on training programme very useful and deep knowledge about fish microbiology and fish quality assurance laboratories. This four days training programme very useful for our students.

DEPARTMENT OF B.VOC., MARINE

Minutes:

One day Exposure visit to M.S.Swaminathan Research Foundation, Poompuhar.

Date of visit	: 07.03.2022
Place visited	: M.S.Swaminathan Research Foundation, Poompuhar.
Staff Name	: Mrs.B.Revathi & Miss V.Santhiya
Beneficiaries	: 33 Students & 2 staff

One day educational exposure visit was organized by the Department of B.Voc Marine Food Processing and Preservation Technology on 07.02.2022. During the exposure visit the students of 1st- B.Voc Marine, 2nd – B.Voc & 3rd – B.Voc Marine, then staff members Mrs.B.Revathi and Miss.V.Santhiya visited M.S.Swaminathan Research Foundation, Poompuhar. Then Dr.S.J.Priyanga gave brief lecture on the topic “Fishery Science” with regards to fishes population dynamics and also briefly explained about recent trends in marine Fauna and coral reef biodiversity. She also explained about HACCP-HAZARD analysis critical controlpoint & Harvest and post harvest handling of fishes and she taught about principles of chill storage and transportation processing, then principles of freezing & advanced technologies demonstrated to our students.

Then, Mr.E.Thamizhazhagan sir explained about marine coral & coral reef, broad pouches of coral reefs, artificial construction coral reefs. He also explained about good organic materials, crab and shrimp [crustaceans] waste to prepare the product of natural manure & indigenous product. [EX: catla catla, labeorohita, cirrihus arigala as detailed]

Thus, finally the exposure visit was very informative and broad knowledge about Indegenous products and MPEDA – Marine products Export Development Authority.

DEPARTMENT OF B.VOC., MARINE

Minutes:

One day Educational Field Visit Marine Biotechnology Department, Bharathidasan University.

Date of visit : 23.03.2022

Place visited : Marine Biotechnology Department, Trichy

Staff Name : Dr.K.G Selvi, Mrs.B.Revathi, Ms.V.Santhiya

No. of. Students : 34 students

One day Educational visit was organized by the Department of B.Voc Marine Food Processing and Preservation Technology on 23.03.2022. During the visit **Dr.K.Anbarasu**, Head of the Marine Biotechnology gave a brief lecture on the topic “**Marine Cyanobacteria sample collections & NFMC –National Facility For Marine Cynobacteria**” and he also briefly explained about photosynthetic diazhotrophs. Then he explained provide Marine Cynobacterial culture, instrumental and other facility to needy researches

Next, **Dr.S.Rajakumar** sir gave lecture on “National Repository for Microalgae and cyanobacteria Freshwater [NRMC-F]”, Blue green algae and favourable conditions for blue green algae, how do blue green algae grow, uses of blue green algae and by products of cyanobacteria, how to reduce the intensity of blue green algae.

Then, Director of NFMC sir gave brief lecture on problems caused by blue green algae, how to reduce the intensity of blue green algae.

Thus, finally in this educational visit very innovative and broad knowledge about national facility of marine cyanobacteria and blue green algae by-products.

DEPARTMENT OF B.VOC., MARINE

Minutes:

One day exposure visit to National Institute of Food Technology, Entrepreneurship and Management, Tanjoore

Place : National Institute of Food Technology, Entrepreneurship and Management, Tanjoore
Date : 24.05.2022
Staff Members : Mrs. B.Revathi&Ms.V.Santhiya
Number of Students : 32

The Department of B.Voc., marine Food Processing and Preservation Technology organized a field visit visit to NIFTEM, Tanjoore. The Institute has the capacity to food processing Laboratories are attractively designed and most updated equipments are in place,

The students had the chance of learning the functioning of

- Food Processing Incubation Centre
- Food Safety and Quality Testing Laboratories
- Food Product Development Laboratories
- Food Microbiology Laboratories
- Food Enginnering Laboratories Etc.,

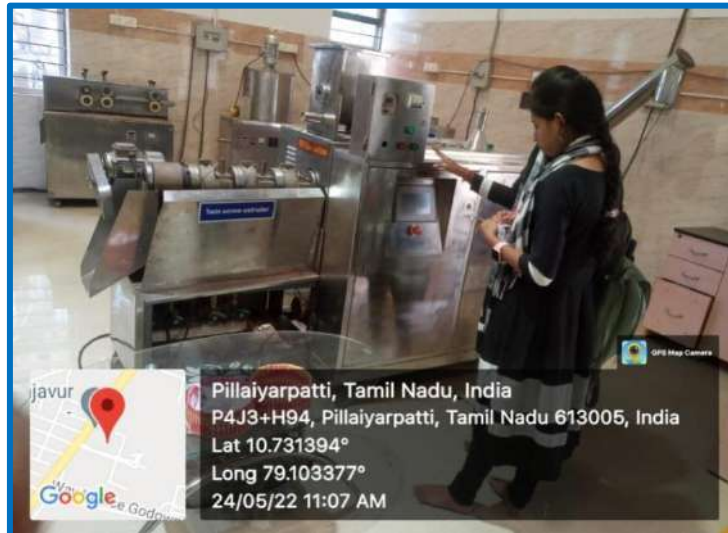

Points Studied in Detailed of,

- Rotary Oven
- Microwave Bakery Oven
- Dough Sheeter
- Bread Moulder
- Cookies Wire cutter and wrapper
- Non diary Ice Cream dispenser
- Dough Mixer
- Cooling Tunnel
- Choclote Enrober
- Choclote manual tempering and moulding

- Chocolate melting and storage tank
- Water chiller
- Chocoball mill
- Choco wet conching
- Bar making line
- Coding tunnel
- Sugar syrup tank
- Virgine coconut oi processing unit
- Fruit beverages processing unit
- Vaccum lab coding

The food laboratory technician of NIFTEM Ms. Krishnapriya gave brief lecture on Food Processing Incubation Centre, Extension Activities in ares of Food Processing. Thus, finally the exposure visit was very informative and broad knowledge about indigenous products and national Institute of food technology, Entrepreneurship and Management, Tanjoore.

DEPARTMENT OF B.VOC., MARINE

Minutes:

Three days hands on training on “ Preparation and Preparation of Fishery Products alternate Employment Opportunity for the Fisherfolk of Nagapattinam Dt”.

Place : Metro Laboratory, Keechankuppam
Staff Members :Mrs.B. Revathi & Ms. V.Santhiya
Date : 27.06.2022 to 29.06.2022
No of Students : 32

The training programme was organized by the Department of Fish Process Engineering, Tamilnadu Dr.J.Jayalalitha Fisheries University, and Nagapattinam from 27.06.2022 to 29.06.2022. The Students of I – B.Voc., II – B.Voc., and Staff Members Mrs.B. Revathi and Ms. V.Santhiya participated in the training program. The training programme started at 10.00am from Metro Fish Processing Laboratory.

Mr. B. Prabakaran, District Development Officer NABARD is invited as the Chief Guest of the inaugural function. He delivered a lecture on banking schemes and entrepreneurship.
