An awareness programme on career was organized by the PG Department of Computer Science for students aspiring for placement on 07.04.2022. The topic of the day was “Project awareness and Soft Skill Development”. Dr. K. Arul Marie Joycee, Head of the Department, Department of Computer Science, Welcomed the gathering.

Mr. S. Lakshminarayanan, Managing Director, Imacsys Technologies, Chennai acted as Resource Person. He gave a special lecture on Project Awareness and Soft Skill Development” which would led the students to fetch favourable career opportunities that would assist in gaining greater practical excellence in the IT field.

Students from final year UG, Second year UG and PG students attended the programme. 62 UG students and 07 PG students were the total beneficiaries. The Programme was very useful for the students to acquire new ideas about different areas of career.

He demonstrated proficiency in the analysis of complex problems and the synthesis of solutions to those problems. He also explained the comprehension of modern software engineering principles. His wonderful lecture gave the students a motivational thought of becoming a successful expert in the field of Information Technology by channelizing technical knowledge and skills to ensure personal and professional growth and to contribute to the prosperity of the organization.

The Vote of Thanks given by Mrs. G. Lokeshwari, Assistant Professor of Computer Science. The training programme was conducted for a period of 12 days from **03.02.2021 to 19.02.2021**.

ONLINE WORKSHOP ON “PATENT APPLICATION FILING”

REPORT

On 18.05.2022, IPR cell and IIC jointly organized a workshop on “Patent Application Filing”. Mrs.Preethi Narayanan, Patent Consultant, PG diploma in Intellectual Property Rights and Patent Law, Hyderabad was the resource person. Dr.R.Anbuselvi, Principal i/c welcomed the gathering and gave Presidential address.

Mrs.Preethi Narayanan is a patent consultant from Chennai. She is a registered Patent Agent at Indian Patent Office and registered startup Patent facilitator under startup India scheme. She has 11 years of professional experience, which includes eight years of experience in the field of Patents. She has delivered lectures in patent awareness workshops at universities and colleges across Tamilnadu conducted by Tamil Nadu State Council for Science and Technology; also she has delivered guest lectures and webinars on patent at colleges across Tamilnadu and delivered lectures at CIPAM - FICCI 100-Webinar Series on Intellectual Property. As a patent consultant, she is providing full patent services from prior art search till grant of patent.

Mrs.Preethi, in her presentation explained the ways of developing an idea into patent and to prepare the patent application to protect the invention. She explained the various types of patent application and the contents of provisional specification. She shared the Legal information and forms, fees required in patent filing. 40 staff members and 20 PG students actively participated in the workshop and gave their feedback.Dr.G.Sudha, Assistant Professor of Mathematics proposed vote of thanks. The whole programme was arranged by IPR and IIC convener and coordinators.

ENTREPRENEURSHIP DEVELOPMENT CELL

Report

Entrepreneurship Development Cell of A.D.M. College for Women has organized two days certificate course for “Beautician” on 24th& 25th February 2022. The objective of this program is to give practical exposure to the students to become an entrepreneur on Beautician course.

The programme was conducted in two sessions i.e., from 10.00 a.m to 1.00 p.m, and from 2.00 p.m to 4.00 p.m. The programme commenced with welcome address delivered by Coordinator Dr.P.Rajeswari.

Day: 1

In the first session, Mrs.M.Induvigneshwari, gave a brief overview on the course and the topics to be covered through the course. She also explained introduction about Threading of Eyebrows, Shapes of Eyebrows and Removing of Tan from the face and more tips to maintain soft and smooth face. She also suggested many products that protect our skin from sunlight.

Day: 2

In the second session, she elaborated the process of facial and explained the importance of beautician. The session was quite enlightening to the students. The second session focused on trapping of sarees. Demonstration was given to students as to how to wear sarees in modest way and also tips regarding saree trapping.

The focus on the second day was about Hair dressing and cutting. Focus was mainly laid on the multiple types of hairstyles and bridal makeover. Emphasis was given on Manicure and Pedicure. Feedback is given by the students and Certificates were distributed to the Students. Meeting came to an end with National Anthem

MINUTES

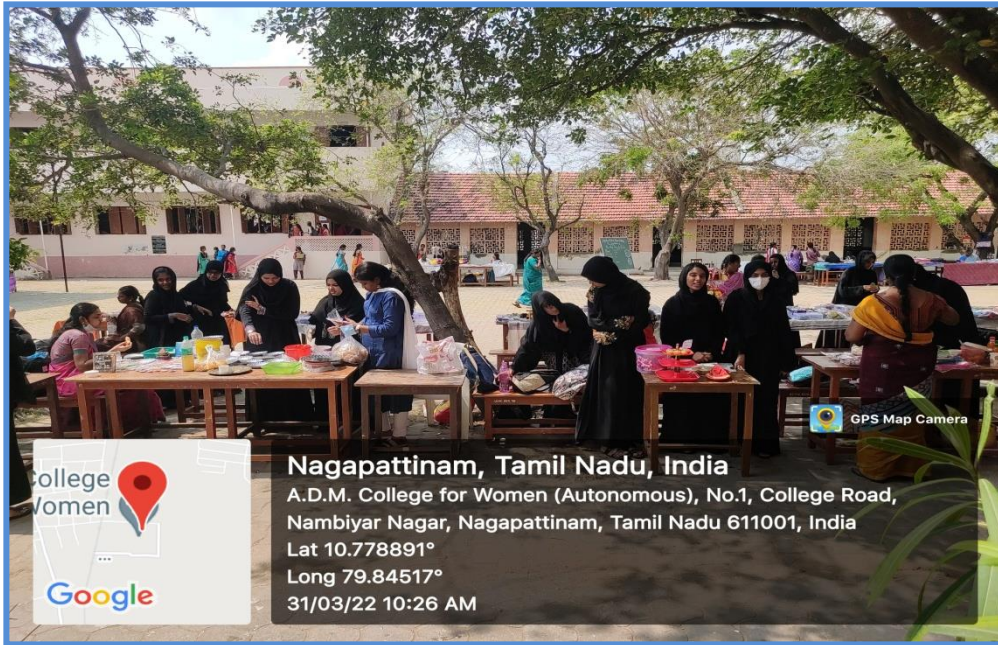

Entrepreneurship Development cell of A.D.M College for Women organized Food fest for two days from 01.04.22 to 02.04.2022 with a motive to explore Entrepreneurial skills among the students. It provides a huge exposure and deep insight of doing big scale events and is also a learning experience. This in turn helps in gaining and marketing skills which can help them when they graduate and organize events themselves. The event was organized in the college premises and inaugural function was at 11.00 am with a ribbon cutting by our Advisor Dr.Sivakamasundari, along with Principal and Controller of Examinations.

There were 10 stalls creatively exhibited with different variety of mouth watering delicacies like PaniPuri, Grill Sandwich, Veg, Rolls, Cup cakes, and Milk shake.

Students were asked to create innovative ideas to market and sell their products. The stalls performed exceedingly well. The festival offered an opportunity to the students to learn team work, leadership, planning with overall management skills. The students under the guidance of Entrepreneurship Development Cell coordinators successfully planned and organized the food festival.

Exhibition Cum Sale:

Entrepreneurship Development Cell organized an Exhibition cum sale on 02.04.22 students had displayed stalls of greeting cards, artificial jewellery, decorative items, homemade soap and food items etc. There was tremendous response from both students and faculty. The stalls performed exceedingly well and the participants made good sale of the products. The efforts of the students and volunteers made the Food fest a grand success.

CHEMPER COMAC ASSOCIATION

Youth Development Programme, PG & Research Department of Chemistry, A.D.M.College for Women(A), Nagapattinam organized a Seminar entitled “Fundamentals of Nanomaterials” on 14.03.2022.

Dr.D.Ragupathy,HOD & Asst. Prof. of Chemistry,National Institute of Technology,Karaikal was the resource person Dr.N.Prabha, Asst.Prof. of Chemistry welcomed the gathering. Dr.R.Anbuselvi, Principal Incharge delivered the presidential address. The Resource person was introduced by Mrs.S.Malathy, HOD & Associate Professor of Chemistry.

Dr.D.Ragupathy delivered the lecture on the topic “Fundamentals of Nanomaterials”. He explained the basic concepts of Nanomaterials about the preparation and types of carbon nanotubes. Dr.D.Ragupathy emphasized the applications of Nanoparticles using SEM and TEM. During the interactive session students asked about the avenues of higher education and employability. He explained about GATE examination and the ways to register Ph.D programme. Ms.V.Mathanmithra, II M.Sc Chemistry proposed vote of thanks.

A.D.M.COLLEGE FOR WOMEN (AUTONOMOUS), NAGAPATTINAM
PG & RESEARCH DEPARTMENT OF CHEMISTRY

PG & Research Department of Chemistry, PG Department of Physics and Department of Geology jointly organized a Public Interaction Programme on “Ground Water Resources in & around Nagapattinam” on 24.03.2022.

Dr.R.Priscilla, Head & Assistant Professor of Physics welcomed the gathering. Dr.R.Anbuselvi Principal Incharge delivered presidential address. She insisted the importance of water and the word “AMRITA” means water. She quoted from thirukurral lines about water.

Mrs.S.Malathy, Head & Associate Professor of Chemistry delivered the keynote address and introduced the Resources Persons and their area of specialization. Dr.A.Sivakamasundari, College Advisor & Dr.R.SophiaPorchelvi, COE & UGC Co-ordinator gave felicitation address. They enlightened about the conservation of water for future. The importance of linkage with nearby industries.

Mr.T.Sai Prasad, CGM (G), Head forward Base, ONGC, Karaikal delivered special address. He explained the ways to carryout geological survey for exploration of petroleum resources, to carryout drilling and other our drilling and other prospecting operation and estimation of petroleum resources. He mainly insisted and explained how exploration of petroleum not affect the agriculture lands.

Mr.J.Sivaramakrishnan, Scientist-B, Central Ground Water Board, Ministry of JalSakthi, Government of India, Chennai was the Resource Person. He has shown the hydrogeology mapping, the ways to identify the drinking water in and around NagapattinamDistrict. He explained rain water harvesting can be recharged to aquifer and can be utilized gainfully at the time of need. He pointed out few techniques about rain water harvesting.

- ❖ Rood top rain water harvesting through Recharge pit, Trench, Existing tube wells, Recharge well for urban areas.

- ❖ Rain water harvesting through Gully plug, Contour bund, Gabion Structure, Percolation tank, Check dams/ Cement plugs, Nalabunds Recharge Shaft, Dugwell recharge, Ground water dams or sub-surface dykes for rural areas.

Mr.J.Sivaramakrishnan explained about the job opportunities for Chemistry, Physics and Geology students. He enlightened the Central Government Schemes to Save water in India. Students interacted with the resource person and clarified their doubts. 150 students are benefited through this programme. Dr.M.Kaliammal, Head & Assistant Professor of Geology proposed vote of thanks.

CHEMPER COMAC ASSOCIATION

PG & Research Department of Chemistry organized **“Motivational Talk”** on **“FUTURISTIC CHEMISTRY”** on 25.08.2022 from 10.30 A.M to 1.00 P.M in the AV Room. **Dr.B.Rajeshwari, Assistant Professor, Department of Science & Humanities, Anna University College of Engineering, Thirukkuvalai** was the resource person of this programme. Mrs.S.Malathy, HOD & Associate Professor of Chemistry welcomed the gathering.

Dr.B.Rajeshwari delivered an interesting talk on the topic **“FUTURISTIC CHEMISTRY”**. She explained the role of women scientist in the society. She explained the timeline of chemistry from 450BC to 1887-1915. She enlightened the opportunities in various field of Chemistry like Biochemistry, Industrial Chemistry, Polymer Chemistry, Geo Chemistry etc. The fascinating things in the world like Voyager 2 & 1 spacecraft are displayed by the resource person. She motivated the students for higher studies and to apply for job opportunities in various areas. Her speech is very useful and informative. She clarified the doubts of the students in the interactive session. Dr.N.Prabha, Assistant Professor of Chemistry proposed vote of thanks.

MINUTES OF THE MEETING

Department of Geology organized Public Interaction Programme on the topic Groundwater resources in and around Nagapattinam on 24.03.2022. The function started with prayer song. Dr.R. Priscilla, HOD of Physics delivered the welcome address. Dr.R. Anbuselvi, Principal in charge gave the presidential address over the meeting. Mrs. S. Malathi, HOD of Chemistry delivered the key note address. Dr. A. Sivakamasundari advisor & former Principal our college and Dr.R. Sophia Porchelvi COE and UGC Co-Ordinator offered felicitation address. The Resource person Mr. T. Sai Prasad and Mr.U. Ravi, CGM ONGC, Karaikal Highlighted about the petroleum and Natural gas. Shri J. Sivaramakrishnan Scientist-B, CGWB. Ministry of Jal Shakthi, Govt. of India, Chennai highlighted the importance of water, importance of hydrogeology and the steps taken by the government for groundwater harvesting process. He emphasised on the different types of aquifers recharge and discharge areas of aquifer mapping. He stressed the students should know about techniques of groundwater harvesting on your college life such attitude definitely improve and save our society and nature. What type of research going on in this field and shared suggestions for future research. Students actively participated in this programme and given positive feedback. Finally the vote of thanks was given by Dr. M. Kaliammal Head/Assistant Professor of Geology.

COMMERCE ASSOCIATION
SEMINAR ON “LEADURSHIP” – REPORT

PG & Research Department of Commerce has organised a seminar on the topic “LEADURSHIP” on 27.09.2021 at 2.30 p.m in the A.V.Room. The seminar started with Prayer. Dr. N. Sampathlakshmi, Head of the Department welcomed the gathering. Dr.R.Anbuselvi, Principal delivered the presidential address. Dr.P.Rajeswari, Coordinator read the minutes of the previous meeting. JEP. P. Natarajan, National Trainer, JCI India, Pondicherry, was the resource person for the seminar.

The Resource person, Dr.P.Natarajan, gave a lecture on “LEAD UR SHIP”. The resource person has clearly explained about the qualities of a leader, functions of a leader and different types of leaders. He also narrated about time management, meeting management, agenda setting, group dynamics and team building. Then he elaborated as to how to communicate effectively in order to develop relationships, manage conflicts and work across differences. He clarified the doubts raised by the students.

Students were actively participated in the interaction and the resource person appreciated the students. Feedback was collected from the Students, Staff and the Resource person. The students feedback was 100% favourable about the topic, language and presentation by the Resource person and students also suggested that these kind of seminars should be organized more in future. Staff members were also satisfied with the topic and content and the Resource person thanked the Management and Staff members for the opportunity given. Ms.A.Sushilashreen, III B.Com. proposed vote of thanks. The meeting came to an end with National Anthem.

MINUTES OF THE WEBINAR

PG and Research Department of Zoology organized one day seminar on the topic “Diversified Aquaculture and Employment Opportunities for Biology Students” on 29th March 2022 from 11:00 am to 01:00pm at AV Room.

This meeting was started with prayer song. Dr.Madhuramozhi Govindharajalu, Head & Asso.Prof of Zoology welcomed the gathering. Dr.K.G.Selvi, Asst.Prof of Zoology, read out the previous meeting minutes. Dr.S.Angelina Glorita Parimala, Asso.Prof. of Zoology introduced the chief guest.

The chief guest Dr.K.Iyyappan delivered a lecture on the employment opportunities for Biology students in aquaculture field. He has explained different research stations and small entrepreneurs and how to market the produced fish. Also, insisted marketing channels and transport facilities for aquaculture farm. He explained the water quality parameters of aqua farm and aqua feed production etc.

Finally, the meeting was concluded with the vote of thanks was delivered by Mrs.Jayasri, II M.Sc zoology students. The meeting was ended with National Anthem.
