

Internal Academic Audit Report 2021 -22

IQAC has conducted Internal Academic Audit on 26th April 2022 to review and assess the performance of all the departments in the last five years (2017- 2022).

The members of the Academic Audit Committee have submitted their report to Principal and following are the comments and suggestion.

Observations:

- COE is following strictly the mandatory procedures to be adopted in her office, as stipulated in the UGC Autonomous Guidelines. Examination Systems, Scrutinizing Board activities, Feedback reports, Result analysis reports, Grievance related reports, certificates issue registers, award committee reports and minutes are duly completed and maintained. It also observed that the workload of the Office Staff are evenly distributed to undertake the routine activities without interruption. CoE and her Office Staff are appreciated by the members of the audit.
- IQAC is documenting Governing Body, Academic Council and College Committee Meetings. UGC Schemes, grant received, conduct of Faculty Development Programme (FDP) , Research and Development(R&D) activities, publications of last 5 years, seminar attended and paper presentation of faculty members are recorded. Planning and Evaluation Committee Meetings with action taken are neatly presented.
- Observed and verified that all the Departments are maintaining and updating the registers / documents like minutes of Board of Studies, Work load, timetable, Academic diary, Attendance are Mark Registers, Associations / Clubs activities Seminar / Workshop Minutes, Extension activities reports, Placement records, University and Autonomous Rank particulars, Mentor – Mentee Registers, IQAC registers, Minor projects and Students projects details etc.

- The faculty is also active in attending academic events and strive themselves to keep up to date. Experience and qualified faculty are using modern pedagogy. FDPs and workshops have been attended regularly by the faculty members. Faculty may be encouraged to contribute more to research work. Many enrichment programmes through Department Association have been organized. Magazine, Newsletter are released every year. The college has a holistic approach for overall student development.

Areas to be improved (Suggestions and recommendation)

- All departments are advised to increase the number of e -.contents contribution.
- Internship activities must be strengthened and efforts should be taken immediately by all the departments.
- Eligible faculty members should get guideship to promote research activities
- Research departments much apply to various research funding agencies other than UGC.
- Website details of each department must be updated regularly and one staff from each department must be assigned the duty and Coordinate with the in-charge of website development. Department should maintain a separate register showing the details of website updation(date wise / month wise / activity based etc).
- Advised to have an active MOU with industries, Universities and reputed colleges for improving the placement opportunity, Career development opportunity, Students Welfare activities, Skill enhancement activities, Faculty Exchange programmes, etc.
- Advised the Science Departments to make use of their laboratory equipments for consultancy service, providing research assistance to outside students, earn while learn practices etc.
- All the faculty members are advised to take necessary steps to improve the communication skills of the students. Each department may find and report a suitable strategy to enhance the communication capacity and ability of the students.
