Internship Programme - Tour Operation and Tourist Guide
13th to 15th October 2022.

Minutes:

Department of History has arranged an internship programme on “Tour Operation and Tourist Guide (SBE III) for III BA History students from 13th to 15th October 2022. Mr. G. Rajapandiyam, Managing Director, Aravind Air Travels, Chennai was the Resource Person.

The focus of the Internship programme was mainly on the syllabus covering the 5th semester for the students and combined with a field trip to Velankanni. He focused mainly on the Travel Agent operation and Ticket Booking. The students got an opportunity of studying their syllabus in a different and practical environment and explained various departments in the Travel and Tourism industry.

He also gave introduction to types of tours and the importance of tourism for the economic growth of any country and also about IATA, DGCA, various types of transport, Passport, Visa, Air Tickets, Tourism, country code, city code, etc. He also explained the evolving of online booking.

During the field trip to Velankanni, the students collected a lot of information about the place and they themselves acted as tourist guides and gained a lot of practical knowledge. On 15th the internship programme was concluded by conducting a valedictory function presided by HOD Mrs. R. Alamelu and other faculty members. The students were very much interested in giving their experience of the programme and the overall response by the students was overwhelmed.

INTERNSHIP TRAINING ON “INNOVATIVE FUEL DEVELOPMENT AND PETROLEUM TESTING EQUIPMENT TRAINING”

Minutes

PG and Research Department of Chemistry, A.D.M.College for Women (Autonomous), Nagapattinam in association with GalileoVasan Offshore & Research and Development Private Limited, Nagapattinam II B.Sc Chemistry students underwent internship training on “Innovative Fuel Development and Petroleum Testing Equipment Training” from 03.03.2023 to 10.03.2023.

On 03.03.2023, internship programme was inaugurated by our Principal Incharge Dr.R.Anbuslevi. Mrs.S.Malathy, Head and Associate Professor of Chemistry gave the keynote address.Er.G.M.Srinivasan, Managing Director & Dr.A.Vijayalakshmi, Plant Head, GalileoVasan Offshore & Research and Development Private Limited were the resource persons.

Er.G.M.Srinivasan spoke about the introduction of innovative fuel development for future generation. He shared his journey about the startup, incubation centre and R&D centre. He enlightened the students about the career and higher education opportunities for the students.

On 06.03.2023, our II B.Sc Chemistry students underwent training at GalileoVasan Offshore & Research and Development, SIDCO Industrial Estate, Nagapattinam. Plant head Dr.A.Vijayalakshmi taught about bomb calorimeter used to measure the calorific value of the solid and liquid samples. The students learnt about the working process and procedure of the experiment. She also explained how to determine the calorific value of a food items.

On 07.03.2023, plant head explained about the oral cancer – analysis, diagnosis and treatment. She explained the formation, diagnosis and treatment of cancer using rats. A new cancer cell was induced to the mouth part of the living rat. Then she explained about the growth of cancer cells in the rat and how it is treated.

On 08.03.2023, Dr.A.Vijayalakshmi explained about bio gas production from marine algae, production of algae from the fresh water or marine water and the collection of algae, culture etc. Our students did the experiment.

On 09.03.2023, Dr.A.Vijayalakshmi explained how to determine the viscosity, flow and density of the fuel, how to find out the pH, TDS, EC for the fuel samples as well as liquid samples. The students also examined the above characteristics individually.

On 10.03.2023, the students came to know about ideology and application of innovative fuels. Managing Director and Plant Head gave many ideas and guidance to the students for their upcoming projects. All doubts and queries raised by the students were clarified by them. Some of the students gave feedback about the programme. Certificates were distributed to the students. Dr.J.Bhuvana, Assistant Professor of Chemistry coordinated the internship programme.

Place	: Rajiv Gandhi Centre for Aquaculture (RGCA), Sirkali
Purpose	: Internship Training for SC/ST student on the topic: “PCR and its Application in Aquaculture genetics and Pathology Research”
Duration of the Training	: Four Days (9:00 AM to 5:00PM)
Student Participated	: I B.Sc Zoology II B.Sc Zoology III B.Sc Zoology
Faculty Attended	: Dr.K.G.Selvi and .M.Rajeswary

Details of the Training / Minutes:

On 20th September 2022 forenoon session Dr. Mathew Varghese, Scientific Officer delivered a special lecture on Diversification and domestication is the purpose of RGCA research theme and he has explained the role of ITS (Internal Transcribed Spacer) gene for species identification through the application of PCR Techniques. On that day afternoon session the lab trainers of Ms.Nishanthini, Ms. Sruthi and Mr. Ajith gave hands on training on the technique of DNA isolation and identification of specific gene for species identification. Students were allowed to do this technique individually.

On 21st forenoon session Dr.Ananthajothi, Senior Field Officer gave lecture on Application of PCR in Aquaculture Genetics. He has explained the Race Technology and sea weed culture. On the afternoon session students were individually trained in the genetics lab for advanced techniques of DNA band isolation and identification and PCR analysis.

22nd morning session Dr.Mithun Raj, Scientific Officer of Pathology Lab delivered lecture on Introduction of OIE and Non-OIE listed shrimp and afternoon session students

were given hands on training on fish sample collection, sample fixation for disease identification.

23rd forenoon Dr.Baskaran, Junior Field Officer trained the students for Histology slide preparation for disease identification. On the afternoon session Mr. Babu, Senior Field Officer delivered lecture on disease diagnosis by using PCR method and in the histology lab students were trained for disease diagnosis at molecular biology level. The trainers Ms. Ritty, Ms. Arunothaya, Ms. Santhoshiny and Ms. Niroshiny were guided the students to operate microtome instrument.
