REPORT ON BAN PLASTIC PROGRAMME

India is the fifth highest generator of plastic Waste in the world. Honourable Prime Minister of India Narendra Modi had appealed to the people to rid India of single-use plastic during the independence Day speech in 2019. The aim of the ban is to curb plastic pollution, since single use plastic harms terrestrial and aquatic ecosystems. In view of this, on 22nd November 2022, the NSS Unit I of A.D.M .College for Women(Autonomous), Nagapattinam had conducted Ban Plastic Programme in the college campus. The Programme officer Mrs.M.Prabavathy explained about the dangerous effects of Plastic pollution and especially about the plastic bottles which are one of the most common plastic pollutants among the NSS volunteers.
