Background

Society of Daughters of Mary Immaculate is doing involved in social, economic empowerment programme for women and children since 2005 in Nagapattinam on the representation of DCO Sr. A. Philominal . DMI organization is based on Self Help Groups (SHG) approach and was implemented in partnership with Mahalir Thittam, IFAD, Child line 1098 and Community based organizations. Today the SHG movement is very vibrant movement spread across in three blocks of the Nagai District with nearly 2,270 women as members in 145 SHGs. The main functions are to create livelihood support to women and train them in economic development activities.

A.Duraisamy Nadar Margathavalliammal College for Women (ADMC) Velliplayam Nagapattinam represented by its Principal is a well-known college of this region. The college has played a pioneering role since its inception in spreading higher education to the women. It was established in the International Women's Year 1975, for the benefit of the young girls at the coastal town Nagapattinam. Focusing on women empowerment, the college firmly believes that in an ideal society women should enjoy the same opportunities rights and obligations in all spheres of life so that they get autonomy to manage their own lives. For this reason woman empowerment is vital to sustainable development and the realization of human rights for all.

Objectives of MOU

In the growing context of science and technological advancement in addressing the societal needs it is necessary to retain the interest of the young researchers and the students and enhance their skills in the development process. In order to engage and enhance the skills of students in participatory research and science focused interventions in the field of women Skill Development and other societal development aspects both the institutions has decided to work together and signing an MOU with the following objectives

- "To allot students under Village Study Segment (VSS) Internship II Consultation WILITPrincipal
- To provide employment entrepreneurship-linked skills training to the students
- To organize and participate in workshop, exchange visit and other forums relevant for dissemination of the research results.

ADMC, Nagapattinam

FOR

**UNDERTAKING SKILL DEVELOPMENT TRAINING
IN EMERGING TECHNOLOGIES**

This Memorandum of Understanding (MoU) is made on 26th day of September of the year 2022

BETWEEN

A.D.M College for Women (Autonomous) having its head office at 1, College Road, Velipalayam, Nagapattinam, 611001, India represented by Dr R. Anbusevi, Principal, A.D.M. College for Women (Autonomous) (hereinafter referred to as 'ADMC') which expression shall, unless repugnant to the context or meaning thereof, include its successors, executors and administrators in office, legal representatives and permitted assigns on the FIRST PART.

AND

National Association of Software and Service Companies having its head office at the NASSCOM Plots 7-10, Sector 126, Noida, UP – 201303, India (hereinafter called "NASSCOM/SSC NASSCOM"), represented by its Executive Director, IT-ITeS Sector Skills Council NASSCOM, which expression shall, where the context so admits, be deemed to include its successors, executors, and administrators of the SECOND PART.

Whereas IT-ITeS Sector Skills Council NASSCOM (SSC NASSCOM / NASSCOM) an integral part of NASSCOM is the skill standard setting body of the IT-ITeS Industry and is also the education & skill development initiative of NASSCOM; SSC NASSCOM works with its industry members and select academic and skill development institutions to help improve the quality and quantity of the employable workforce available to this industry.

ADMC and NASSCOM/SSC NASSCOM will hence forth be referred to collectively as the Parties.

THE MoU WITNESSED AND THE PARTIES HERETO AGREE AS FOLLOWS:

I. PREAMBLE / BACKGROUND / OBJECTIVE

Government of India under the aegis of Ministry of Electronics and IT has joined hands with NASSCOM as a team India effort to make India a global hub for skilled talent on emerging technologies. FutureSkills PRIME is an aggregator model platform built with an aim to reskill & upskill candidates/individuals in emerging technologies with an objective to create India's Digital Talent Stack that will propel India into a leadership position in the digital world.

FutureSkills PRIME platform is designed as a resource for all learners to not only develop digital fluency in new-age technologies but also build advanced skills by getting certified on industry defined & IT-ITeS Sector Skills Council NASSCOM (SSC NASSCOM) validated skills on both emerging technologies and professional skills.

II. PURPOSE

1. The objective of this MoU is to undertake relevant skills upgradation via training program/s in the emerging technologies for the candidates/ students & faculty/ staff of ADMC.
 - a. To encourage any-time, any-where, continuous self-paced learning for acquiring newer and industry relevant skill sets, build digital fluency on emerging technologies & professional skills through the availability of bite sized micro learning content.
 - b. To provide a diagnostic facility that offers aspirants/candidates an analysis of their aptitude and capabilities so that they can be guided on learning pathway options.
 - c. To provide a novel framework and an inclusive 'one stop up-skilling/ re-skilling solution' in new and emerging IT technologies that envisages a paradigm shift in the existing value chain through synergistic efforts of all stakeholders.
 - d. To motivate and create value at every step through innovative mechanisms such as 'skills passport', 'skills wallet', 'badges' etc. based on the aspirant's effort in their skilling journey.
 - e. The Company/University/College etc will also work internally to build their internal talent pool by encouraging employees/students & faculty/staff members to complete more badging and certifications.
All the above will also work towards making India as a digital talent hub.
2. This engagement aims to implement short-term awareness and skill competency development programs including Foundation and Deep Skilling courses (both free and paid) in the emerging technologies area.
3. This intervention aims to equip the candidates/students & faculty/staff members with specific skills that are important in today's context. The learning intervention will keep them updated with the key trends / challenges faced in today's digital ecosystem.

III. GENERAL PROVISIONS

1. This memorandum will set-up general conditions for co-operation in up-skilling / skill-based training and that the Parties intend to use it as a framework to continue their co-operation.
2. The Parties intend to coordinate and focus their efforts on co-operation within the area of the identified upskilling /skill development intervention(s) across ADMC.
3. The terms of co-operation / directions will be defined collectively during negotiations. The Parties through mutual effort will try to establish long term and beneficial co-operation.

IV. IMPLEMENTATION OF THE MEMORANDUM
