LANGUAGE LAB

The Management evinces keen interest in teaching, training and honing the communication ability and skills of the students. In spite of the difficulties and hindrances inherent in the rural area persistent efforts were taken by the management and has installed a English language lab to benefit the rural students who lack enough exposure to spoken English.

The language lab has 20 desktops installed with Express ProLite and Express Pro software. The software offers Audio Visual Content that enables the students to acquire vocabulary and understand language structure.

The well equipped English language lab is utilized by the final year students to enrich their vocabulary and communication skills, through softwares. The final year students are allowed to utilize the language lab out of the college timings. They are splitted into 15 batches with 20 students per batch and started to utilize the language lab. All advanced learners from non-major students are given the opportunity to attend the language lab to improve their communication skills.

Language learning games are used as vehicles for effective learning games such as Dictionary, Charades, Taboo words, what I am thinking of ?, hangman, board race were played in class to warm up the class and also to encourage active participation of the students. Students are encouraged to do book reviews, role plays and also engage in discussion and debates which helped them gain confidence in speaking English fluently.

Objectives:

- To identify the speech of English and their classification
- To improve the students fluency in English
- To prepare all the students for their placements.
- Learning with clarity and confidence

List of Exercises:

- Activities on Inter-personal communication and building vocabulary
- Activities on Reading Comprehension
- Activities on Presentation Skills
- Activities on Group Discussions and Interview
- Activities on Writing Skills Pronunciation

First year and third year B.A., English students utilize the lab for an hour every day. All the UG second year students make use of the lab regularly as per the schedule. Staffs from various departments also show keen interest in language learning and use the lab optimally.

RESEARCH DEPARTMENT OF ENGLISH
ENGLISH LANGUAGE LAB REPORT 2022-23

The well equipped English language lab was utilized by BA English students for an hour every day. The lab has 20 computers and two software namely Express Pro light and Express Pro. UG second year students from various disciplines were given opportunity to utilize the lab to develop their language skills. During the academic year 2022-23 totally 570 students were benefited.
