MINUTES OF THE BOARD OF STUDIES MEETING MA HISTORY

Mrs.R. Alamelu, HOD of History made arrangement for the P.G. History Board of Studies on 03/10/2023 at 10.00 AM. She welcomed the subject experts and introduced them to the faculty members.

The following suggestions were given by the subjects experts..

Dr. T. Asokan suggested that the paper entitled "Socio-Cultural History of Tamil Nadu From 1565 CE - 2000 CE" (Core Course VI) of II Semester has vast portions. Hence, the period could be changed from 1565 to 1947 CE. He also suggested that as the History of Tamil Nadu is asked in the competitive exams we can incorporate the History of Contemporary Tamil Nadu as one course programme. Further, he said that the interpretation on concepts is essential for the P.G students rather than syllabus coverage.

Dr. K. Ashok has suggested that the overall course objectives need to be re-worked. Besides, he has given inputs on general programme outcome, programme specific outcome, and course outcome. He has also advised the faculties to work on the basis of units-wise.

- In Core Course I -History of Ancient India - Prehistory to 1206 CE, the members have changed and incorporated few topics to the Unit V.
- In Core Course 2 -Socio-cultural History of Tamil Nadu upto 1565 CE, the members have changed and incorporated few topics in the Unit IV &V.
- In Core Course 3 -History of World Civilization upto 1453 CE, the members have deleted and incorporated few topics in the Unit V.
- In Major Based Electives I -Archaeology, changes were made in Unit II & IV.
- In Major Based Elective, II Tourism Management, changes were made in Unit I& V.
- In Core Course 5 - Socio-cultural History of Tamil Nadu upto 1565 - 2000 CE of Semester II, major periodical changes in title has made. Further, new topics like social reformers and nationalism and regionalism were incorporated.
- In the Major Based Elective 2 - History of Journalism of Semester II was swapped with the paper Archives Keeping.
- In the Skill Enhancement Course 2 - Introduction to Museology, few topics were incorporated and deleted in Unit IV & V. Members suggested important reference books and author names.
- In Major Based Elective Course - Indian Constitution of II Semester few changes were made.

6. To record the suggestions given by the subject experts.

The Syllabi of the following programmes were discussed.

- B.A Economics
- M.A.Economics

Suggestions and Revisions:

The following Changes were made by the Board.

B.A Economics

Board met at 11.00am to discuss the syllabus framed by the Tamil Nadu State Council for Higher Education (TANSCHÉ) the Board hold elaborate discussion and finally approved the TANSCHÉ syllabus in Toto without any omission and to implement the curriculum from the academic year 2023-24 in our college for UG.

M.A Economics

Board of Studies Economics also discussed Tamil Nadu State Council for Higher Education (TANSCHÉ) syllabus for PG Course in Economics and finally approved the syllabus and suggested to opt Ability Enhancement Course (AEC) in Social Entrepreneurship in Health and Hygiene. (Learning of any fine arts).The said suggestion was approved by all.

Dr.P. Natarajamoorthy, Associate Professor/University Nominee was requested to provide Internship Training to UG and PG Students of Economics and he has graciously accepted to extend the facility to this Department students.

BOS further assures that if any modifications made in future by TANSCHÉ in terms of curriculum the committee shall abide as it is without any deviation.

NAGAPATTINAM 611 001.

Suggestions

- Since TANSCHÉ syllabus is standard one and uniform to all colleges no need to change the basic objectives and outcome objectives. However subject experts suggested deleting the topic on Derivation of Marginal Utility Schedule for money income in the Unit-I of Advanced Micro economics of PG.
- Another suggestion was made based on elaborate discussion to introduce Marshall and Hicksian Reformulation Theory instead of Hicksian measures.

Resolution:

As per the suggestions made by the members of BOS the following resolutions are adopted.

- It is resolved to adopt TANSCHÉ syllabus for UG and PG course in Economics in total and agreed to implement the same from the academic year 2023-24 onwards.
- Slight modifications suggested by BOS members also accepted in the Paper Advanced Microeconomics for PG.
- Further it is resolved that if any modifications made out by TANSCHÉ in future based upon any demands of any section of the society BOS shall strictly adhere all such changes.

Tharanur, Chennai reviewed the syllabus and gave suggestions and recommendations to be made.

Resolution taken

It is resolved to follow the suggestions given by the Expert Committee of the Board of studies and carry out necessary changes in the syllabus.

Suggestions given by the BOS Committee members:

M.Sc Mathematics:

1. The textbook for the Course (Core III) Ordinary Differential Equations should be changed as E.A.Coddington, "An Introduction to Ordinary Differential Equations".
2. Existing syllabus and Textbook Ian Sneddon "Elements of Partial Differential Equations" to be continued for the Course (Core VI) as the textbook suggested by TANSCHÉ is not available.
3. It is advised to include reading materials such as MIT open sources, NPTEL video lectures etc. in all the courses.
4. In all courses it is advised to incorporate a small unit, Professional component in the content.
6. The content for the course "Industrial Mathematics" to be made relevant to address some issues related to industries.
7. Rework the mapping of Programme Outcome and Programme Specific Outcomes with Course Learning Outcomes.
8. For the course "Mathematics for Life Sciences" it is advised to include the content from Biological Mathematics.
9. The title "Statistics for Life and Social Science" should be changed as " Mathematics for Social Science".
10. The Title "Mathematics for Advance Research Studies" should be changed as "Mathematics for NET/ UGC-CSIR/TNPSC"

B.Sc Mathematics:

1. Textbook should match with the Unit wise arrangement of the content for the course (CORE I) "Algebra and Trigonometry".
2. For the course "Analytical Geometry (Two and Three Dimensions)" book for study can be confined to two or three textbooks.
3. In all the courses refer reading material MIT open sources, NPTEL video lectures. (Mention 3 to 4 videos in specific)
4. All the courses should be uniformly unitized with five units.
5. Uniformity should be followed in book reference (Book Title, Author name, Publisher, Year of Publication)
6. Need not indicate k level prior to the course outcomes.
7. For the Allied courses offered to other departments, suitable indications must be provided.

Incorporating all the suggestions given by the BOS, finalized curriculum will be forwarded to Academic Council for approval.

PG & RESEARCH DEPARTMENT OF CHEMISTRY

BOARD OF STUDIES MEETING MINUTIES

21.04.2023

The Board of Studies meeting of PG & Research department of chemistry was Conducted on 21.04.2023.

UG Syllabi for 2023-2026 Batch, PG Syllabi for 2023-2025 Batch and Allied Chemistry Syllabi for I-B Sc Physics, I-B.Sc, Bio chemistry, II B.Sc., Zoology and I-B Sc., Geology was framed according to TANSICHE Syllabus.

The syllabus of all the the Programmes was approved with the following changes.

UG Syllabus

- i. In Core Course – II, Qualitative Inorganic estimation and Inorganic Preparation, In Unit II, Acid Base titration is to be included, Estimation of chloride Can be demonstrated. In Unit-III, Estimation of Zinc and Magnesium Can be included.
- ii. In Inorganic Chemistry – I, Definition, Difference between Co-ordination Complex & Double Salt. Types of ligands and limitations of VB theory is to be included in Unit-I. In Unit-III, Synergistic introduction in metal Carbonyls and Structure of Ferrocene is to be included.
- iii. In EC-V-Biochemistry, Unit –II Metabolism of amino acids and urea Cycle are to be removed.
- iv. In EC-VI, Industrial chemistry, Unit-I Can be Split into two units. Unit- II can be Liquid and Gaseous fuels.
- v. In PCS-Intellectual Property Rights in Unit-I, case study about Indian inventions can be included.

A.D.M. COLLEGE FOR WOMEN

PG Syllabus

- i. In Nanomaterials and Nano Technology Paper, Unit IV any five examples can be chosen.
- ii. In Molecular Spectroscopy (Elective II) in Unit III any two examples can be included and in Unit IV. Introduction to ^{31}P , ^{19}F NMR can be eliminated.
- iii. In Organic reaction Mechanism (Cove IV) Unit III, any one rearrangement can be chosen.
- iv. In chemical Conservation Paper Unit I and Unit II are to be replaced with Environmental chemistry and Environmental Educational policies.

The Allied Syllabus was approved without any change.

The Suggestions given by Industrial Naminee, Shri J. S Gupta, DGM, ONGC, Karaikal.

- Include quality Control techniques in PG Syllabus. Students must be familiar with usage of instruments.
- Practical Visualization of laboratory equipments like IR, NMR, Mass Spectrometer and Raman etc.
- Development of Soft Skills likes Speaking in Public, how to handle group discussion and Self confidence building measures is a must for Girl students.
- Proposed Portion Seems to be heavy so appointment of Staff to lessen workload of Present employees.
- Students have to be Computer Savvy.
- Self defence methods like Karate, Kung fu is must for all the Students.

The Board of Studies members approved the above Changes.

BOARD OF STUDIES MEETING MINUTIES

19.12.2023

The Board of Studies meeting of Department of Chemistry was conducted on 19.12.2023 through Google meet <https://meet.google.com/vto-sgbz-ayh> at 3.00pm.

Agenda:

1. To modify the practical syllabus for the candidate admitted from the year 2023-26 Batch (I year)
2. To modify the scheme and practical syllabus for the candidate admitted from the year 2022-25 & 2021-24 batch (II & III Year)

Dr.N.Prabha, Head & Assistant Professor of Chemistry informed about the DBT star scheme sanctioned to our college for 6 groups of departments for the year 2023-24 to 2025-26. She presented the modified syllabus of UG as PowerPoint and following changes are made in previous syllabi.

i. For 2023-26 Batch (I Year)

- CP-I: Inorganic Estimations & Preparation: Estimation of Saponification of Oil & Chlorine in Bleaching Powder. Preparation of Buffer Solution
- CP-II: Qualitative Analysis: pH measurements of different solutions like aerated drinks, juices, shampoos and soaps. Qualitative analysis of Natural food colours.
- CP-III: Physical Chemistry: Water Quality analysis like Alkalinity, Chloride, DO, TDS, TSS, TS & pH.
- CP-IV Gravimetric & Organic Analysis: Spectrometry & Greener synthesis new practicals were introduced.

ii. For 2022-25 & 2021-24 batch (II & III Year)

1. Resolved to combine Semester I Core Course Papers Invertebrata I & II and introduced Lab Course for the Core Paper at Semester I.
2. Resolved to approve the syllabus for the Foundation Course as Fundamentals of Zoology.
3. Resolved to approve the syllabus for Skill enhancement Courses(SEC 1 to 5) and 2 Generic elective Courses.
4. Resolved to provide a choice to the students to select the Ability enhancement Courses.
5. Resolved to introduce Lab Course II at Semester II and Core paper Genetics shifted to Semester VI. Also resolved to add Lab Course for Allied Zoology.
6. Resolved to shift the Project from Semester VI to Semester V and combined the Lab Course III & IV into Lab Course III.
7. Further it is resolved that if any modifications made out by TANSICHE in future based upon any demands of any section of the society BOS shall strictly adhere all such changes.

M.Sc, Zoology

Suggestions:

BOS of Zoology also discussed Tamil Nadu State Council for Higher Education (TANSICHE) syllabus for PG Course in Zoology and finally approved the syllabus and suggested to make changes in the Lab Course XII.

Resolutions taken:

1. Resolved to add Ecology Practical in the Lab Course XII that is Lab Course in Immunology and it was finalized as Lab Course in Immunology & Ecology.
2. Industrial Nominee Mr.G.K. Dhinakaran assured to give the training for the M Sc Students in the field of Aquaculture and it will be helpful for their Project work.

excluded. Instead, intrinsic and extrinsic parameters affecting the quality of fresh fish are preferred.

In Unit – 5, "Design and Layout of Fish Processing Establishment" is suggested in place of planning and layout, equipment construction, and design.

SCC – IV – Chilling Technology: In the practical syllabus, a visit to chill storage units for fish is preferred over a visit to chill rooms in fish processing plants.

SCC – V- Fish Freezing Technology: In Unit – 3, the Freeze-drying process has been removed. Additionally, in Unit – 5, topics such as transportation of frozen fish to foreign markets, chill & cold storage of fish, insulation thickness, containers for storage and transport of fish, different types of insulated boxes, and HACCP in the freezing industry have been eliminated. "Packaging requirements for frozen fishery products" are suggested instead.

SEMESTER – IV

SCC – X- Cured and Dried Fishery Products: Instead of the Smoking method, both Cold and Hot methods, "Sun drying of fish, Smoke curing of fish, and Salt curing of fish" are introduced.

Instead of Processing and principles of cold, cooked, and fried marinades, "Preparation of fish marinades" is preferred. The Production of Fish and Shellfish pickles has been moved to SCC – XI – Fish Product and Byproducts Technology.

Instead of shelf life, - Packaging requirements for dry, cured, and fermented products, "Packaging methods for various fish products" are preferred.

SCC – XI – Fish Product and Byproducts Technology: Traditional methods of fish preservation, methods of fish drying, and document preparation for any product have been removed. Instead of the Production of fish oil by the soxhlet extraction method, "Preparation of fish meal and fish oil"

is preferred. "Preparation of Seaweed Products" replaces Culturing of Seaweed. Additionally, the Preparation of fish and shellfish pickles is suggested, and "Preparation of value-added fish products" is preferred instead of the preparation of any fish product / Value Addition.

SCC – XII – Storage and Transportation of Fishery Products: Methods to reduce losses during storage and transportation have been removed. Chill storage of fish and cold storage of fish are introduced. The topics related to types of fish storage, functions of cold storage, and types of cold storage have been removed. Instead, "Transportation of live fish and shellfish" is suggested.

SEMESTER – VI

GCC – VIII – Fisheries Administration and Legislation: The entire syllabus has been revised.

Value-Added Course – Azolla Cultivation is only suggested for Semester – V. "Ornamental Fish Culture" is suggested for Semester – VI, and the entire syllabus of ornamental fish culture has also been revised.
