PG & RESEARCH DEPARTMENT OF ECONOMICS

The PG & Research Department of Economics conducted a comprehensive Student Induction Programme from 20th July to 24th July 2024. The programme aimed to welcome and orient new students to the Department academic environment, resources, and opportunities. It also provided students with valuable information on various facilities and support systems available within the college.

The induction programme commenced with a warm welcome by Dr. S. Rajeswari, Head of the Department. She highlighted the department's legacy, achievements, and academic culture, encouraging students to actively engage in the upcoming sessions and take full advantage of the resources available to them.

Dr. Punithalakshmi delivered a motivational talk, emphasizing the importance of self-motivation, goal-setting, and perseverance in academic and personal life. Her speech resonated with the students, inspiring them to adopt a proactive approach towards their education and career goals.

Dr. P. Kavitha provided an overview of the department's mentor-mentee system. She explained how the system is designed to offer personalized guidance and support to each student. The students were introduced to their respective mentors and briefed on the mentoring process, which will aid their academic and personal growth throughout their course.

Dr. Uma, the Physical Director, spoke about the various sports and recreational activities available on campus. She encouraged students to participate in sports, highlighting its benefits for physical and mental well-being, and explained the procedures for joining different sports teams and clubs.

Dr. R. Vijayalakshmi, Librarian discussed the extensive library resources, including access to research journals, books, and e-resources.

The induction programme also featured an introduction to the various facilities on campus, led by the Head of the Department and in-charge staff members. They guided the students through available resources such as laboratories, computer labs, library and also discussed administrative support systems, student clubs, and extracurricular activities that contribute to a well-rounded academic experience.

The induction programme concluded with a feedback session, allowing students to share their thoughts and suggestions. The positive response from the students reflected the effectiveness of the programme in helping them feel welcome and informed about their new academic environment. Finally Dr P,Sujatha, Assistant Professor proposed vote of thanks. The meeting concluded with National Anthem.

Motivational program for I B.Sc. Zoology students on 03-07-2023

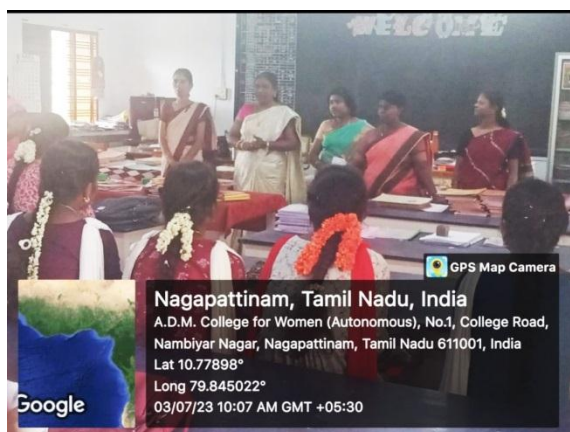

The PG and Research Department of Zoology organised an one day motivational program for 1st B.Sc. Zoology students on 03-07-2023 at Zoology laboratory from 11.00 AM to 1:00 PM. Dr. S. Vanitha, Assistant Professor in Zoology welcomed the guest as well as the gathering

The chief guest Dr. Angelina GloritaParimala, Head and Associate Professor of Zoology gave the presidential address and introduced all the faculty members of the Zoology Department to the 1st year students. The chief guest explained in detail about the necessity of higher education to the girls and insisted that education gives empowerment to the women folk. She also highlighted the various career opportunities that are available in the present scenario to the zoology students.

Dr. K.G.Selvi, Assistant Professor of Zoology insisted on the discipline in all walks of life. She has informed that it is one of the most important and useful skills to achieve success and everyone should possess this quality for the betterment of life of the students.

Dr. T.Sumathi,Assistant Professor of Zoology highlighted the importance of health and hygiene to the student community. She explained that hygiene is the science and art of maintaining and improving one's physical and mental well-being and it enables people to have a healthy interaction with their surroundings. She has added that good health and hygiene prevents students them from missing college, resulting in better learning outcomes.

At last Mrs. D.Maheshwari,Assistant Professor in Zoology thanked the chief guest and all the department staff for the successful conduct of this program. She has also thanked the students gathering for their keen participation and attending the program.

Motivational program for 1st B.Sc. Zoology students on 21-07-2023

The PG and Research Department of Zoology organised a one day motivational program for 1st B.Sc. Zoology students on 21-07-2023 at 02.00 PM in the Zoology Seminar Hall.

Dr. Angelina Glorita Parimala, Head and Associate Professor of Zoology welcomed the chief guest, the staff members of the college and the student community. She has also introduced the chief guest Dr. S. Niraimathi, Assistant Professor and co-ordinator of self-finance section of the college.

Dr. M.Rajeswari, Assistant Professor in Zoology explained about the necessity of higher education to the students she also admired the resource person for her dedicated service.

The resource person Dr. S.Niraimathi explained the students about the importance of obedience and respect of students to their parents and the elders. She has informed that the obedience to elders gives us confidence in terms of inner strength as it needs a lot of self-control and patience and takes us to the next level in our life.

She has also enlightened that adolescence is the unique stage of human development and an important time for laying the foundations of good health. She has asked the students to take good and balanced diet for the physical, cognitive and psychosocial growth in this age. She has also advised the students to avoid junk food as it can make one feel tired, bloated, and unable to concentrate.

She has also insisted the students to share their emotions with the fellow mates for emotional stability in their life. She has informed that sharing happiness with others will multiply the same and sharing the sorrows with others will decrease the same.

At last Mrs. D.Maheshwari, Assistant Professor in Zoology thanked the chief guest, the department staff and the 1st B.Sc. Zoology students for the successful conduct of this program.

Motivational program for 1st B.Sc. Zoology students on 24-07-2023

The PG and Research Department of Zoology organised a one day motivational program for 1st B.Sc. Zoology students on 24-07-2023 at 02.00 PM in the Zoology Seminar Hall.

Dr. Angelina Glorita Parimala, Head and Associate Professor of Zoology welcomed the chief guest, the staff members of the college and the students. She has also introduced the chief guest Dr. S. Krishnaveni, Assistant Professor of Zoology (Rtd.) and Co-ordinator of aided section of the college.

The resource person Dr. S. Krishnaveni has enlightened the various infrastructure facilities that are available in the college to the fresh students, viz., spacious and well ventilated class rooms, adequate and well equipped laboratories, a library with nearly 34000 books and 80 journals, a digital library, internet browsing centre, audio visual room, spacious play grounds, clean toilet facilities, hygienic canteen etc.,. She has assured the 1st B.Sc. Zoology students that though they step in the college as freshers they could step out the college as Doctorates as the Zoology department is a PG and Research Department also.

She has also alerted the students to concentrate only on studies in this age, as many social factors including relationship of opposite sex may distract them in this age. She has also emphasized on the importance of obedience and respect to the elders which can pave way for the betterment in life.

She has briefed about the importance of self-confidence to the young students with the help of short story and emphasized that with self-confidence one can face all the challenges in the life. At last she has also wished good luck to the students for their future endeavours.

Dr. Senbagalakshmi and Dr. J. Sumathi, assistant Professors in Botany also graced the occasion. At last Mrs. D. Maheshwari, Assistant Professor in Zoology thanked the chief guest, the department staff and the 1st B.Sc. Zoology students for the successful conduct of this program.

DEPARTMENT OF PHYSICS

The PG Department of Physics conducted a comprehensive Student Induction Programme on 20th July 2024. The programme aimed to welcome and orient new students to the Department academic environment, resources, and opportunities. It also provided students with valuable information on various facilities and support systems available within the college.

The induction programme commenced with a warm welcome by Dr.R.Priscilla, Head of the Department. She highlighted the department's legacy, achievements, and academic culture, encouraging students to actively engage in the upcoming sessions and take full advantage of the resources available to them.

Dr. N.Lavanya delivered a motivational talk, emphasizing the importance of self-motivation, goal-setting, and perseverance in academic and personal life. Her speech resonated with the students, inspiring them to adopt a proactive approach towards their education and career goals.

Dr. Uma, the Physical Director, spoke about the various sports and recreational activities available on campus. She encouraged students to participate in sports, highlighting its benefits for physical and mental well-being, and explained the procedures for joining different sports teams and clubs.

Dr. R. Vijayalakshmi, Librarian discussed the extensive library resources, including access to research journals, books, and e-resources.

The induction programme also featured an introduction to the various facilities on campus, led by the Head of the Department and in-charge staff members. They guided the students through available resources such as laboratories, computer labs, library and also discussed administrative support systems, student clubs, and extracurricular activities that contribute to a well-rounded academic experience.

The induction programme concluded with a feedback session, allowing students to share their thoughts and suggestions. The positive response from the students reflected the effectiveness of the programme in helping them feel welcome and informed about their new academic environment. Finally Dr.N.Lavanya, Associate Professor proposed vote of thanks. The meeting came to an end with National Anthem.
